CITIZENSHIP BY INVESTMENT

FALSE ADVERTISING

The Grenada Citizenship by Investment Unit states categorically that all of its approved projects are physically located in Grenada. As such, an investment into real estate outside of Grenada is not a qualifier for obtaining Grenadian citizenship by investment and any such offerings are illegal and not approved by the Committee.

All stakeholders of the programme who discover this infringement should bring such act to the attention of the Grenada Citizenship by Investment Unit as a matter of urgency so that the requisite further steps can be taken.

Please contact the Citizenship-By-Investment Unit for any queries that you may have regarding this publication at the following email address: info@grenadacbi.org.
